WORKFORCE DEVELOPMENT TRAINING FUND

Wyoming's Department of Workforce Services offers two types of workforce development grants:

Existing Positions

Funds can provide up to \$2,000 per trainee per fiscal year for established Wyoming businesses with existing employees who need a skill upgrade or retraining in their current occupations.

New Positions

Funds can provide between \$1,000 and a maximum of \$4,000 per trainee per fiscal year depending on the employee's full-time status and wage amount.

Using these grants, businesses in Wyoming can create new jobs or complete necessary skills upgrades among staff to stay competitive in today's economy; in addition, they can be put to use in pre-employment scenarios, as well, to prepare workers to fill gaps in high-demand/high-growth occupations.
