Description of Project:

In accordance with the provisions of 24 C.F.R. Part 58.47, it is the finding of the Certifying Officer of the above referenced grantee that [check one of the following]:

1. The scope, scale, nature, magnitude and location of the project are substantially unchanged from that as originally reviewed and approved; further, no new circumstances or environmental conditions which may affect the project or have a bearing on its impact, such as concealed or unexpected conditions, have been discovered; and the selection of an alternative not in the original finding is not proposed, Re-evaluation of the project under §58.47 is therefore not required. The same conditions that previously applied to the project remain unchanged and are summarized on the next page.

OR

2. The scope, scale, nature, magnitude and/or location of the project have substantially changed from that as originally reviewed and approved; or, new circumstances or environmental conditions which may affect the project or have a bearing on its impact, such as concealed or unexpected conditions, have been discovered; or, the selection of an alternative not in the original finding is now proposed. Re-evaluation of the project under §58.47 is required; the findings in the ERR have been updated per §58.47(b) and are described on the next page.

I certify that the above statements accurately reflect the revisions to the project scope of work and that such revisions do not alter the basis under which the project received its original environmental status determination.
