Kayla reviewed the current budget amount for FY24 as broad categories. Several members of the board asked Kayla to allocate money to different initiatives and areas as she sees fit and bring a draft budget outline back to the board.

Some suggestions were made for a matching pool to other grants outside of the WBC as a grant opportunity for Wyoming Main Street, with some discussion about incentivizing other entities to buy into community grants.

Kayla also updated the board on a conversation and potential partnership with Wyoming Pathways to develop a Placemaking fund for wayfinding. Another option was discussed for utilizing grant funds towards a facade grant long-term.

A final action item was decided for Kayla to create a budget document and work further on grant opportunities. The meeting was adjourned at 11:02 a.m.
