PROJECT SUBMISSION OVERVIEWS

COMMUNITY READINESS GRANT

Applicant: Lincoln County

Project Name: Sewer Project

Project Details: Lincoln County requests a \$2,958,020 grant to construct a sewer package plant and pipeline from the City of Kemmerer to the plant to serve an area that the Joint Powers Board facility does not have the capacity to serve at this time. In addition to a specific tract within Kemmerer there is additional, primary commercial or industrial area both within corporate city limits and in the county that will be served.

BUSINESS COMMITTED GRANT

Applicant: Casper-Natrona County Economic Development Joint Powers Board (EDJPB)

Project Name: Radiant Microreactor Utility Infrastructure Project

Project Details: The EDJPB is requesting a \$25 million grant to extend water, sanitary sewer, and storm sewer lines to serve the new Radiant facility as well as 584 acres of developable land. This project will also feature a new entry road, parking lot and office building that will be leased to Radiant.
